

UNIBODY 3D SUBLIMATION FACE MASK

PRINT OUT FASHION FULLY

The unibody 3D sublimation mask not only provides you a comfortable wearing experience due to its 3D structure, but also is a fashionable option to consumers because its ear band area is printable, any kind of fashion or fun or artwork design can be shown on either the front face and the ear band which is more unified.

FULL AREA IMPRINT

Print this mask twice, you'll get a complete design on its whole body, it is great platform for fun, fashion or art designs.

3D STRUCTURE

Two pieces of polyester are sew together to create its 3D shape, leaving more space for your nose and mouth when using it, therefore a more comfortable wearing experience can be delivered to consumers.

ECONOMIC

This mask is more cost-effective compare to other types since its manufacturing process is easier than the others.
