

Packing Units / Parts

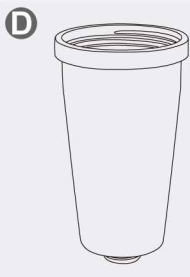

Part A: Cover Lid

Part B: Bottom Stand

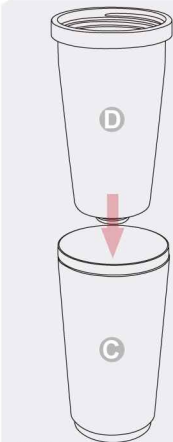

Part C: Body Cover

Part D: Body Tank

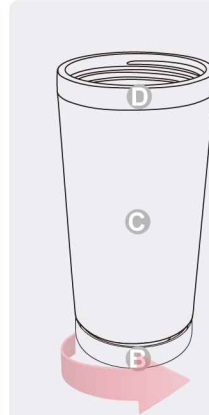

Assembling Instruction

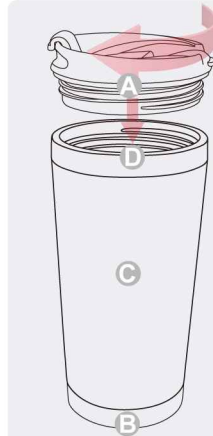

STEP I
Insert the body tank into the body cover after imprint.

STEP II
Put the assembled tumbler body on to the bottom stand.

STEP III
Turn the bottom stand clockwise while holding the body tank steady until its fully locked.

STEP IV
Cover the lid on top by spinning it clockwise.

SAFTY NOTES

- Only printed(heat shrunked) body cover can be assembled with the body tank, unprinted units CAN NOT be assembled by hard force otherwise may result in damages to the tumbler.
- Do not use in dishwasher or microwave
- Keep out from children while filled with hot liquids
